

## Team Formation Statement

**Pledge:** I pledge my honor that I have abided by the Stevens Honor System.

**Team Name:** Let's Split Up!

**Members:** Harris Hamid, Zakariyya Scavotto, Jared Soiferman, Jordan Tam, Ryan Vaseem

### Updated Project Description

Our expense splitter app allows groups of people to track their expenses, including details such as what they owe money for, who they owe money to, and how much money they owe. Users can create new groups and ledgers, add expenses to those ledgers with rules and participants, and update their balance when they have paid their portion. The user can also filter expenses by group, as well as between expenses they owe and expenses owed to them.

### Mission Statement

Our goal is to streamline the process of splitting group expenses for any purpose.
